Some people look for a beautiful place.

We make a place beautiful

B.J.
CONSTRUCTIONS
YOUR DREAM IS OUR GOAL

Imagine Having A Single Point Of Contact For All Your Home-Building Needs.
Someone Who Can Manage The Entire Process From Start To Finish So You
Get Exactly What You Want At A Price That Won't Break The Bank.

That's BJ Constructions!

We Build Custom Homes With All The Bells & Whistles And Deliver Them Right
To Your Doorsteps.

Overview

To constitute the condition of character towards flawless workmanship and customer service. Preserve the highest level of professionalism, honesty, and exhibit the practice in a transparent decorum with all peers. To cultivate a growth, decorated with exceptional and significant product services and solutions in the industry ecosystem and to broaden the grip into new areas awaiting competencies and customer interests.

Goal

Be the world's premier engineering construction and project management organization by achieving extraordinary results for our customers. Building satisfying careers for our team and earning a fair return on the value we deliver. BJ construction is always committed to providing value driven and best possible service to all its peers with time bonding.

Health & Safety

Relentless in keeping people safe from harm and providing a healthy work environment.

Ethics

Uncompromising integrity, honesty and fairness in practice at our every venture.

Quality

Maintaining and safeguarding reputation of every customer and community through quality deliverance.

Relationships

Building positive and long term relationships through trust, respect and quality assurance.

As Newly wed we were looking for a cost effective and well coordinated team of professionals for our first home of our new family. After going around Bangalore through a lot of hectic initial process of filtering contractors, we looked into BJ Construction profile, which matched our price and checklists. The first meeting team explained us in cut clear picture of our future home. Our Home is now completed with complete fulfillment. Thanks to BJ team our House is really our Home now.

Mr. Manjunath GK
Project ID: BJC039

Our Vision

To be a world-class construction engineering Corporation and to maximize value for Stakeholders.

Our Mission

Building an employee-driven & socially responsible construction engineering corporation, achieving customer loyalty by building trust & excellence.

Our Values

- Respect
- Teamwork
- Commitment
- Employment
- Integrity
- Transparency

One of the biggest challenges that we faced in our previous home construction is delays in construction. There were always setbacks and unexpected events that resulted in major delays and cost overruns by our previous contractors.

BJ Construction promised our home to be finished on time and Delivered. We got a custom-built, cost-effective home built by their professional team of engineers who kept us updated throughout the process.

Mr. Sharan Malli Patil
Project ID: CM40687

Our Team

We are open for new projects. Let's bring your creative ideas to life together!

What We Do

Planning

We provide a full-proof house plan. The key to open the door of a long-lasting house. Having effective architectural plans are the staircase to reach the rooms of a dream home-drawing up building designs and making a list of specifications for home materials.

Project Management

We undertake responsibility for a variety of facets of the construction process from the initial implementation of the project to its completion. We assure that the project remains within the client's budget and stays within its drafted timeline.

Construction

We undertake construction for Individual Homes, Commercial, Industrial and Residential Apartments. We have been creating engagement with customers and influences through our value-added services and educated through onsite guidance regarding right construction practices

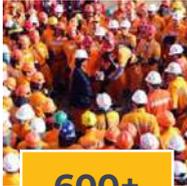

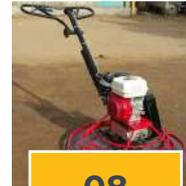

Interiors

As certified interior designers, we are qualified to design, prepare, and submit any type of nonstructural, non-seismic interior construction plans and specifications to building. We have demonstrated through education, experience, and examination our knowledge of space planning.

BJ Pillars

Our Strengths

At BJ CONSTRUCTIONS, our best feature is our team of highly professional and knowledgeable individuals, who, through their hard work, passion, dedication and perceptiveness, continuously drive our firm forward.
